

Parking – Pymwymic Impact Days

Although the hotel has its own parking garage with a limited amount of parking spaces, we have been advised that at the time of our conference no spaces are available.

We advise you to use one of the 4 car parks a short walk away from the hotel, where you pay on exiting.

Entering the city, please notice the light information boards listing the number of free places in each of the car parks (also on the website: www.bereikbaar.nl).
